

Formal Declaration of Journalistic Standing

Hakeem Ali-Bocas Alexander

Date: March 3, 2026

Subject: Verification of Media Credentials and Professional Standing

Journalist: Hakeem Ali-Bocas Alexander

To Whom It May Concern,

This document serves as an official declaration of the professional status and media standing of **Hakeem Ali-Bocas Alexander** as a practicing journalist and lead editorial director.

Mr. Alexander operates as a primary contributor and executive for an established media network, overseeing multiple journalistic and informational platforms, including but not limited to:

- **HAKEYM News:** A platform for current events, commentary, and investigative reporting.
- **HypnoAthletics:** A specialized outlet focusing on the intersection of human performance, psychology, and sports journalism.
- **Uniquilibrium:** A media resource dedicated to health, wellness, and multidisciplinary lifestyle reporting.

Professional Rights and Privileges

In his capacity as a member of the media, Mr. Alexander exercises the fundamental rights of the press to gather, verify, and disseminate information to the public. As a journalist, he is entitled to the standard professional privileges afforded to the media, including:

1. **Access:** The right to request access to public proceedings, press conferences, and designated media areas.
2. **Inquiry:** The right to interview public officials and private entities for the purpose of news gathering.
3. **Protection:** The right to maintain the confidentiality of sources and the protection of editorial work product as recognized by prevailing "Shield Laws" and constitutional protections.

Verification of Credentials

The public record of Mr. Alexander's work is extensive and spans multiple digital and print-equivalent domains. His standing can be verified through the official digital archives of the aforementioned publications.

***Note to Agencies:** Please extend all standard professional courtesies and access required for the fulfillment of his journalistic duties.*
